

Automotive Recyclers of Washington

Vehicle Recycler Laws & Regulations

Vehicle recyclers have a number of vehicle recycler and environmental laws and regulations to comply with in addition to normal business laws. Following is list of many of those laws and regulations.

Disclaimer: The information contained in this publication is intended to alert the reader to issues, laws, regulations and events which may affect the operations of vehicle recyclers. Every vehicle recycler is a unique business operation and may engage in some business practices beyond those contained in the following information. The information is presented in a summary form and is not intended to assure compliance with laws or regulations which may apply to any specific business. The information is not intended as legal, financial, or tax advice. The reader is advised to seek the advice of a qualified attorney, accountant or other advisor to obtain specific compliance advice with respect to the laws, regulations, taxes or other issues which may apply to a specific business.
